Standard:	8"	12"	16"	20"	20"
Vets/JHs:	4"	8"	12"	16"	16"

NOTE: Dogs entered in the Skilled category must jump one jump height lower than the heights listed above. No dog may jump less than 4". No dog entered in the skilled category, or under veteran dog, veteran handler or junior handler may jump higher than 16" nor may they be entered at a height higher than the lowest height the dog is eligible to jump. NOTICE TO EXHIBITORS

This trial is sanctioned by the North American Dog Agility Council (NADAC), with Extreme Agility Team as the host club. Exhibitors through submission of entry, acknowledge that they are knowledgeable of NADAC rules and regulations, including but not limited to the following rules regarding entry:

- All healthy, trained dogs over eighteen (18) months of age are eligible to compete in NADAC agility trials. **ALL DOGS MUST HAVE A NADAC REGISTRATION NUMBER BEFORE ENTERING THE TRIAL.** Go to www.nadac.com to register your dog before entering the trial.
- Bitches in heat, lame, or blind dogs are ineligible for entry, as is any dog with a deformity which may cause a judge to not be able to reasonably assess the dog's ability to function and perform agility obstacles safely, and in a manner that is in the best interest, health and welfare of the dog.
- Any dog which demonstrates aggression towards any person or any dog, whether inside the ring or outside the ring, **must** be excused from the agility trial. Any dog which the judge feels is not in enough control to perform all obstacles in a safe manner will be excused from the agility trial.
- The trial committee will not be responsible for the loss or damage to any dog exhibited, or for the possessions of any exhibitor whether the result was by accident or any other cause. It is distinctly understood that every dog at this event is in the care and custody and control of his owner or handler during the entire time the dog is on the show premises. Any exhibitor whose dogs and/or children create unnecessary disturbances or engage in unsafe or disruptive behavior may, at the discretion of the Show Committee, be asked to leave the show site. In such case, no refund of fees paid will be made.
- No collars, leads, food, toys, clickers, or other aids or devices shall be permitted on the course or within ten feet of the ring entrance at any time. The only exception to this is leading your dog to the start on lead, then handing the lead to a steward. All dogs should be on leash when not competing.
- Safety shall always be the foremost consideration in actions and conduct by handlers at all times.
- The organizing committee may refuse any entry other than on the basis expressly provided through rules and regulations of the sanctioning organization(s). Anyone not currently in good standing with NADAC will not be allowed entry into the trial.
- There shall be no refunds in the event a dog and/or handler are dismissed from competition, regardless of the reason for such dismissal.
- No entry fee will be refunded if the trial cannot open or be completed by reasons of riots, civil disturbances, fire, acts of God, public emergency, an act of a public enemy, or any other cause beyond the control of the organizing committee.
- Checks not honored by the bank do not constitute a valid entry fee. There will be a \$25.00 service charge for bank returned checks.

Please note the following information from NADAC:

IMPORTANT.

Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately.

NADAC records trial results as they are submitted by the host clubs/groups. The individual trial results submitted by the club are uploaded to the files section of

NADACagility@yahogroups.com

list within two weeks after the NADAC office receives them from the club. The trial results will remain on the list for at least thirty (30) days. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club, are correct.

You can join the [www.NADACagility@yahogroups.com](mailto:NADACagility@yahogroups.com) list and set your settings to "no mail". You will be able to view trial results and check for any possible discrepancies, without receiving list mail.

If you find an error in the reporting of your dog's qualifying points or registration number, please contact the host club. The host club is responsible for correcting any errors and informing NADAC.

Levels.

Points earned at a higher level of a class, prior to the completion of the lower level title, will not be banked by NADAC for future use. If a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.

Skilled and Proficient Categories:

Dogs may be entered in either the Skilled or Proficient category. A dog may only be entered in one category for the entire weekend. A dog may not be entered in Skilled one day and Proficient on another day. Dogs may enter the Skilled or Proficient category in the Standard, Veteran Dog, Veteran Handler or Junior Handler Divisions. Skilled and Proficient categories apply to all classes.

Exhibitors entered in the Skilled category must jump one jump height lower than required per the current jump height table. For example a dog that measures to jump in the 20" Standard class would jump 16". A dog that measures to jump in the 20" class, and is eligible for veteran dog, veteran handler or junior handler status would jump the 12" (20"-4"- 4" = 12"). Dogs are allotted the standard course time for, are scored and are placed in the jump height entered. Dogs entered in the Proficient category must jump their measured height for the division they are entered in, Standard, Veteran Dog, Veteran or Junior Handler.

In the Proficient level, one must not incur any course faults or time faults, to earn 10 points toward any title. Dogs earning points toward a NATCH title must earn those points in the proficient category. Dogs entered in the Skilled category may still earn a 5 point qualifier in Regular Agility only. They may incur up to five course faults **—or—** five time faults and still receive a 5 pt. qualifying run. In all other classes, one may only earn 10 points toward skilled titles and only if there are no time or course faults. Bonus distance handling options may be included on any course at the discretion of the judge, which will award extra qualifying points for completing a designated challenge. Points earned in the Proficient and Skilled category are combined and count toward the same title in the Novice and Open levels.

NON-JUMPING CLASSES – VETERAN OR DISABLED HANDLER

Handlers who are 60 years or older, or who have a disability that restricts mobility, may choose to enter the non-jumping classes as a Veteran Handler and receive 10% more standard course time. This option is for Veteran/Disabled handlers in the non-jumping classes only.

The Veteran/Disabled Handler division is designed for handlers who, due to age or impairment, are mobility limited and need extra time to guide their canine partners through an agility course.

When entering as a Veteran/Disabled Handler, you must enter all dogs in all classes for the entire trial in this Division and must jump 4" lower than your Proficient, Standard Division jump height requires. In the non-jumping classes, dogs will be scored and placed with their Standard Division jump height.

Please refer to www.nadac.com for rules and details.
