

I agree to the following facility guidelines:

1. Keep speed under 5 mph in driveway and parking area. Watch for people and dogs.
2. PUT YOUR LEASH ON YOUR DOGS BEFORE YOU OPEN YOUR CAR DOOR OR LET THEM OUT OF THE CRATE.
3. Keep your dog 8 feet from other dogs at all times.
4. DO NOT LEAVE DOGS IN THE CAR. If you are attending more than one class with multiple dogs, please ask your instructor about where to park in the shade during hot weather.
5. POTTY YOUR DOG ONLY IN THE DESIGNATED AREA, AND CLEAN UP AFTER YOUR DOG. There will be a \$10.00 fine for anyone who does not follow this basic courtesy.
6. Dress warmly in cold weather. There is no heat in the training area and even though the building is very tight, it can get cold.
7. Come prepared to have lots of fun with your pal.

In addition, I understand and agree to the following:

No dogs aggressive toward people or other dogs are allowed in any of the classes. If you need clarification on this point, speak to one of the instructors BEFORE registering your dog. We can recommend excellent behaviourists in the area who can assist you with this problem.

Keep your dog on leash and eight feet from other dogs at all times unless otherwise directed by your instructor.

Keep your dog quiet at all times by following your instructor's recommendations. We can help with noisy behaviours.

Be responsible for all children and family members attending class. Children under 16 are welcome, but must be accompanied by an adult. Young children must have an adult with them during class.

Vaccinate your dog as required: Puppies should not begin class until they have received their second set of puppy shots prior to the first class they attend. This is usually between 9 and 12 weeks. Puppies from 12 to 18 weeks must receive an additional puppy shot. Puppies must receive their first rabies shot between 4 and 6 months. Dogs over 1 year of age must receive annual boosters for DHLPPC and rabies boosters every 1 to 3 years. Bordatella (kennel cough) is recommended, but not required.

Please note date of last vaccinations:

DHLPPC: _____

rabies: _____

bordatella: _____
