

COVID-19 Guidelines

We have expanded seating areas so we can provide 6-foot distance between chairs. We will require all instructors and students to wear face masks/face shields. We will cut classes short 5 minutes to allow instructors to wipe chairs, public areas. There will be a hand sanitizing station so everyone can sanitize hand BEFORE entering building and when leaving. Everyone's safety is primary concern!

Please email caninefun@aol.com with questions.
